## PROFILE

Creative and user-focused Junior Designer with a background in Cognitive Science (UI/UX specialization) and 4+ years of experience in design, social media strategy, and content creation. Skilled in translating user insights into intuitive digital experiences and building brand presence across platforms. Adept at blending analytical research with creative design to deliver engaging, human-centered solutions.

## SKILLS

- UI/UX design
- Wire framing
- Prototyping
- Usability testing and user research
- Figma
- Next.js
- React
- GitHub
- Social media strategy
- Brand Growth
- Video Editing
- Content Creation

## CAREER EXPERIENCES

### *Freelance UI/UX Designer*

**Self-Employed | June 2022 - Present**

- Designs and prototypes responsive digital experiences in Figma, applying principles of usability, accessibility, and human-centered design to enhance trust and engagement.
- Leads end-to-end product design cycles, from user research and competitive analysis to wire-framing, high-fidelity prototyping, and usability testing.
- Developed multiple conceptual/client-based projects, including StepSync, a dancer portfolio and audition tracking platform.
- Delivers polished presentations and walkthroughs of design outcomes, articulating design rationale and UX strategy.

### *Content Creator*

**Self-Employed | July 2021 - Present**

- Built a combined audience of 1.4M followers on TikTok and 500K followers on Instagram, with over 100M total likes across platforms.
- Produced high-quality dance and lifestyle content that consistently trends across social media, leveraging editing, choreography, and storytelling to engage global audiences.
- Partnered with major **brands** such as **Live Nation**, **KCON LA**, and **Hapa Kristin** to deliver sponsored campaigns and event coverage.
- Collaborated with renowned artists including Jackson Wang, P1Harmony, and MAX, creating promotional content.

### *Marketing Partner*

**Hapa Kristin | February 2024 - February 2025**

- Partnered with marketing team during U.S. launch to create engaging promotional content.
- Produced two campaign videos that significantly increased brand awareness, collectively generating 1.4M+ views, 58k+ interactions.
- Partnered with the marketing team to align content with brand identity and target audience.

## EDUCATION & CERTIFICATIONS
